Have more self-assured and confident employees

Improving Your Assertiveness Skills

- ✓ Help employees step forward with great ideas
- ✓ Help employees demonstrate firmness, not aggression
- ✓ Reduce coworker conflicts
- ✓ Reduce passive-aggressive behavior
- ✓ Help employees exert more control over anger
- ✓ Help employees improve relationships
- ✓ Encourage employees to speak up for change

When employees use direct, open, and honest communication in workplace relationships, they feel more confident, gain respect from others, reduce stress and conflict, and behave in happier and healthier ways. With this solid education program, employees learn to state positively and constructively their needs, and better contribute to an "I'm-important-you're-important" work culture better able to support the organization's mission.

This editable and brandable program (PowerPoint presentation, DVD, video, or self-contained web course) educates employees about value of assertiveness and apply its principles to their lives on and off the job. This is a no-fluff program. It is fast moving, practical, and memorable. All formats include a reproducible, editable handout, and test questions to engage learners. Choose any format.
