

Subscriber FrontLine Employee Newsletter

30 FREE ARTICLES! LICENCE

Welcome! We are so happy to meet you! You found something awesome. FrontLine Employee is the most innovative workplace newsletter program ever. This license allows you to use the 30 FREE ARTICLES!

FrontLine Employee is editable, professional, unique, easy, and inexpensive. FrontLine Employee content may be edited or used as content in your existing publication, template, or internal publication. Content is for your employees only and family members, or for the employees of your customers if you are an employee assistance program, employee leasing, or business association.

1. You are being gifted 30 free articles in text format. This is one of four formats we offer. If you were a subscriber, our content arrives before the first day of every month.
2. This license gives you permission to edit, reproduce, and distribute FrontLine Employee content to employees of, or served directly by your organization as mentioned above.
3. You may place content of the newsletter on an internal Web site without restriction. However, if you post FrontLine Employee to a website accessible via the Internet, you must use a password to prevent use by unauthorized persons. In lieu of this option, any arrangement that prevents access to the content by those "surfing" the Internet will suffice.
4. In lieu of a password, you may indicate to "search engines" not to catalog the web page. Meta tag instructions communicate with search engines. If changed to "no index, no follow", search engines will ignore the page.
5. Distribute FrontLine Employee by copying, emailing as a PDF, or using the text of articles in your existing publication or template. You may not redistribute a MS Publisher copy or MS Word w/Graphics format. Instead, create a PDF, and send this document to employees. It works much better!

Send your logo, newsletter name, and web site address. We will take it from there! And we guaranteed it will be awesome!

8. You are welcome to e-mail us with topic ideas or special requests. Use "publisher@workexcel.com."
We use 95% of suggestions!
