How to Order

Copy, fax, phone, or email us. More than one media format is 50% off the lower-cost media format.

Product Features

Formats available include PowerPoint, DVD player disc, MP4 Web Video, or a full featured Web course. Products include no additional fees. Programs are professionally narrated. Sound may be turned off for live-trainer use. Edit PowerPoints, as desired. SCORM or other LMS language formats available. All programs include handout(s), test questions, and certificate of completion.

Popular Web Course Features

Web courses are self-contained and upload to any server. They are safe for military use with no executable (.exe) files. We are happy to email you a free test course!

Customization/Branding

All programs may be branded with logo and program information. We can also edit or amend products for you.

We are America's Only full EAP Resource Training & Tools Provider

Now with over 250 products, WorkExcel.com (EAPtools.com) was established in 1994 to help work organizations, especially EAPs, increase utilization, build value, encourage workplace wellness, and increase employee and supervisor engagement with the EAP necessary to reduce behavioral risk among the workforce.

100% Unconditional Money-back Guarantee

WorkExcel.com programs are unconditionally guaranteed to meet your program's needs, add value to your services, help employees, develop more competent supervisors, reduce risk, and expand your outreach capabilities. You will have direct access to the authors and editors of any product and free support at any time.
