

Sometimes the Problem Really Isn't You.

Instead, the problem may be with somebody else—a friend, co-worker, boss, or spouse. Still, the first step toward helping another person is often helping yourself to face the effects of a difficult relationship on you. Other steps follow. Talk to the EAP. We'll help.

Your EAP, Your Message, Your Own Posters

They're Editable, and Last Forever!

EAP posters are a vital promotional technique to help your EAP remain visible and attract employees. But if you can create your own messages, you've got real power promotion going.

EAP Tools posters are editable, reproducible, e-mailable, and last forever. Your creativity is the limit!

- ◆ These posters are easy to use right out of the package. or you can edit them, and then view and print the posters with in Microsoft Publisher or MS Word. Or use the accompanying PDFs (read by Adobe Reader) to send them to HR managers or other customers. They're very cool, and very efficient. You can also order Spanish Posters
- ◆ Print more posters or new posters anytime.
- ◆ Follow the easy instructions to change photos or messages on the posters to reflect your own creativity, target key issues in your organization, or add your own expertise.

Incredible Features

- ◆ Posters tackle depression, drug abuse, alcoholism, team building, codependency, grief, food addiction, organizational change, anger management, and more. All are peer-created with key headlines and meaningful sub-messages that promote the EAP. You will recognize the difference instantly compared to other posters.
- ◆ Full color photographs. No clipart or odd graphics.
- ◆ High quality. Professional appearance. High impact.
- ◆ Each poster has space for your EAP name, phone number, or other information.
